

ND PREMIUM QUALITY  
CHAIR COMPONENTS

## About us

Established in 2006 with the commitment to create complete seating solutions that automatically transform your spaces, ND Plastic has become a renowned name in the business, today. Presently, the Group showcases manufacturing plant in India, pillared with high-quality engineering, precision designing and adept marketing across a gamut of verticals.

Customer-oriented service, timely deliveries and innovative designs have resulted in ND Plastic carving a niche for itself in industrial furniture like lifestyle, hospitality business, financial and educational institutions, to name a few.
